Note the following criteria for test out:

TEST OUT DATES @ SJHS (please pick one): Tuesday, Aug. 23, 2022 8:00am – 12:00pm OR Thursday, Aug. 25, 2022 12:00pm – 4:00pm Mr. Etter's Room H603

- There is a minimum passing **<u>test out</u>** score (C+ or better).
- Students who successfully <u>test out</u> of a course shall be awarded credit on the transcript and the grade will NOT count toward the student's GPA.
- Students may wish to log into <u>www.michigan.gov/mde</u> to learn more about the courses at the high school level and what will be assessed on the <u>test out</u> exam. Once on the site, look for *Curriculum, Subjects,* then the specific Michigan Merit Curriculum (MMC) course. Teachers are NOT available in the summer for instruction.
- It is the student's responsibility to email teacher and obtain course materials from the designated teacher the last week of May (see Test Out Teacher List on back of this form).
- Students may only attempt to test out of a specific class one time.
- Results will be communicated to student prior to the first week of school by the teacher.
- Note: If a student signs up for testing out and then over the summer decides to not follow through with the program, there will be a \$30 charge that will go to the teacher for the time, trouble, and cost of materials prepared for the student initially.
